### OPERATIONS AND PERFORMANCE

By the Grace of Allah, First Prudential Modaraba has successfully completed its quarter ended September 30, 2016. The period closed with net Profit of PKR.1.5 million. Major contribution was from Ijarah rental receivable of PKR. 22.2 million as compared to corresponding quarter's 2.2 million last year.

Operating and administrative expenses were mainly contributed by depreciation on Ijarah assets which amounted to PKR. 21.0 million with a corresponding increase in Ijarah income. Total income increased from PKR. 10 million to PKR.29 million from the previous year.

During the period the Modaraba entered into various secured new investments in Musharika, Morabaha and other secured financing avenues which would fetch quite reasonable returns to the Modaraba.

### **FUTURE PROSPECTS**

The Modaraba has kept its focus on recovery of stuck up funds with defaulted clients. We are vigorously following up on release of huge funds which could have otherwise been used by the Modaraba to maximize the Certificate holders' wealth.

We are progressing with planned merger of First Prudential Modaraba and First Pak Modaraba to synergize the operations. We will keep exploring less risky high yielding investment avenues just as Agriculture, murabaha and liarah financing.

### ACKNOWLEDGEMENT

The Board greatly appreciates the support co-operation of the regulatory authorities, certificate holders, customers and bankers and looks forward to their continued support and advice in future.

We pray to Almighty Allah for the success of your Modaraba.

For & on behalf of the Board of Directors

Syed Muhammad Rehmanullah Director
